2. Other emails would require a Relativity search that needs search terms we agree upon in order to provide you what you need.

Therefore, we would like to provide you the opportunity to clarify the records that you are seeking. This FOIA request is tolled until we receive your clarification or modification. We suggest making an appointment conference call on Tuesday, December 11, 2018 anytime between 9:00 AM and 11:30 AM. Please respond to this request for clarification or modification within ten calendar days from the date of this letter. Once we receive your final agreed upon clarification or modification, we will continue processing your FOIA request. If we do not receive a response from you within this time period, we will consider your request to be voluntarily withdrawn.
